RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This is in response to the Notice of Non-Compliant Amendment ("Notice") having a mailing date of January 13, 2006. The one-month period to respond was set to expire February 13, 2006 making this a timely filed response.

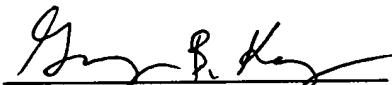

In the Notice, the Legal Instruments Examiner noted that the claims of the amendment paper filed on January 3, 2006 have not been presented in ascending numerical order, in particular claims 7. - 8. (New). Included herewith is a substitute Amendment to the Claims section. It is noted however, that all of the claims were previously presented in numerical order in the Amendment Under 37 C.F.R. 1.111 filed on January 3, 2006. However, in order to expedite prosecution of this application, the line numbers have been omitted which hopefully provides better readability.
